Books, news and other information in easy-to-read Swedish

Easy-to-read books for adults

Reading easy-to-read books is a good way of learning Swedish. At the library there are stories and factual books in easy-to-read Swedish. At the library you can get help to find books that you are interested in and at the level that suits you.

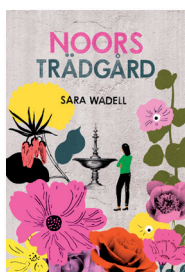

Some books are available in both easy-to-read Swedish and another language, for example Swedish and Arabic or Swedish and Dari. Many books are also available as audiobooks.

Here are web addresses to two publishing companies that publish easy-to-read books for adults:

ll-forlaget.se

nyponochviljaforlag.se

bokforlagethedvig.se

Easy-to-read news

8 Sidor (8 Pages) is a newspaper in easy-to-read Swedish. The 8 Sidor newspaper does not belong to a political party or an association. The journalists at the newspaper decide which news is important to report on. You can read 8 Sidor at the library. You can also read and listen to 8 Sidor on the internet or using an app on your mobile phone.

8sidor.se

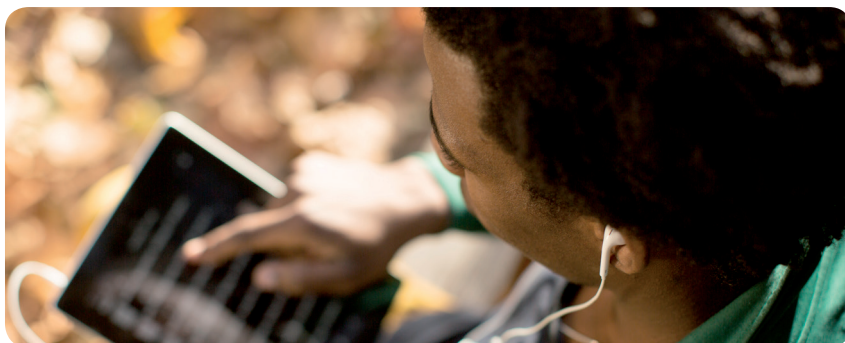

Radio Sweden på lätt svenska is a news programme for people who have recently arrived in Sweden. A new programme with the most important news stories is made available every day, Monday to Friday, at four in the afternoon. You can listen to the programme directly on its website or download it to your computer or your mobile phone.

sverigesradio.se

App: [Svt Språkplay](#)

Easy-to-read community information

Many government authorities have information in easy-to-read Swedish. Look for the symbol LL or the word Lättläst (which means easy to read) on the websites. Most government authorities also have information in other languages. Look for the text Other languages. Here are examples of government authorities that have information in several languages:

migrationsverket.se

arbetsformedlingen.se

forsakringskassan.se

Information om Sverige (Information about Sweden) is a website for people who have recently arrived in Sweden. The website has information about Sweden and Swedish society in easy-to-read Swedish and in other languages.

informationsverige.se

Alla Väljare (All Voters) is a website about elections and politics in easy-to-read Swedish. The editorial team at 8 Sidor produces Alla Väljare.

allavaljare.se

Kommunen – the municipality – that you live in has information about schools, housing, support and welfare/care. You can find your municipality's website if you search for the name of the municipality followed by .se – for example:

botkyrka.se
